## General information

### Target group

Physicians from different disciplines experienced in spinal therapy, interested to learn the latest endoscopic minimally invasive surgery techniques for the complete spinal column. Please understand that course participants must meet preliminary criteria.

### Course Language

International workshops are held in English. For specific groups courses can be held in the participants' mother tongue.

### Course Fee

#### Course – 1 day

\$890 per participant, including joimax<sup>®</sup> scrubs and all applicable taxes.

#### Course – 2 days

\$1590 per participant, including joimax<sup>®</sup> scrubs and all applicable taxes.

### Course and personalized X-ray protection package

(X-ray protection is provided at course)

\$2990 per participant including a custom joimax<sup>®</sup>, monogrammed gown, thyroid shield, X-ray glasses, joimax<sup>®</sup> scrubs and all applicable taxes. Ordering details such as sizing and monogramming will be finalized at the workshop.

### Accommodation

We would be pleased to give you some hotel recommendations. You will benefit from special joimax<sup>®</sup> rates. These rates are available until 4 weeks prior to the event.

## Workshops 2019

### Endoscopic Spine Surgery (2 days) Deherniation and Decompression

 For surgeons only

#### Level 1-2

- Transforaminal endoscopic access to the spinal canal for the treatment of lumbar disc herniations and minor foraminal stenosis: TESSYS<sup>®</sup>
- Interlaminar endoscopic access for disc herniation especially at L5/S1: iLESSYS<sup>®</sup> Pro
- Demonstration of endoscopic facet joint and sacroiliac joint treatment: MultiZYTE<sup>®</sup>

#### Level 3-4

- Transforaminal and interlaminar access for decompression at the lumbar spine (migrated disc herniations, foraminal and recess stenosis) and herniations at the thoracic spine: TESSYS<sup>®</sup>, iLESSYS<sup>®</sup> Pro and iLESSYS<sup>®</sup> Delta
- Cervical decompression: CESSYS<sup>®</sup> Dorsal and CESSYS<sup>®</sup> Ventral
- Transforaminal and interlaminar endoscopic and percutaneous stabilization: EndoLIF<sup>®</sup> and Percusys<sup>®</sup>

### Endoscopic Techniques for Pain Therapy (1 day)

 Pain physicians must meet preliminary criteria

This workshop will provide profound theoretical and practical knowledge on endoscopic pain therapy.

- Facet and sacroiliac joint treatment: MultiZYTE<sup>®</sup> Facet and MultiZYTE<sup>®</sup> Sacroiliac
- Interventional lumbar and cervical nucleus therapy: intENTS<sup>®</sup>

### User Meetings (1-2 days)

User meetings shall allow individual deepening of knowledge and experience achieved during former joimax<sup>®</sup> workshops or own surgical cases.

- Consolidate transforaminal and interlaminar technique
  - Discuss and practice access strategies and suitable instruments for varying and extraordinary pathologies
  - Gain or improve knowledge on implants: Percusys<sup>®</sup> and EndoLIF<sup>®</sup>
  - Use navigation tools and latest anatomical simulators
- The level will be chosen and announced appropriately  
Premise: Successful completion of a joimax<sup>®</sup> Workshop

### Workshop Conduction

All workshops contain theoretical lectures and intense practical training. Access planning and training of surgical techniques as well as handling the instruments and endoscopic orientation are trained on anatomical specimen, supported by preparative training on sawbones and simulators. The workstations are equipped with C-arms, joimax<sup>®</sup> endoscopy towers and surgical instrumentation. X-ray protection as well as scrubs are provided. There are 2 up to 5 workstations per course with 4-5 participants per station.

### Excerpt of our General Terms and Conditions

#### 1. Workshop Registration

Registrations for the joimax<sup>®</sup> Training Program need to be in writing with this application form or online ([www.joimax.com](http://www.joimax.com)). The decision on a potential participation is done on order of receipt. No claim can be asserted by the applicant.

#### 2. Order Confirmation and Payment

The registration will be confirmed by separate mail and/or with the written invoice at the latest and represents a mutually binding obligation. The invoice is to be paid 2 weeks after receipt at the latest.

#### 3. Cancellation of Workshops

No cancellation fee applies if cancelled at least one month before the workshop. If cancelling within 2-4 weeks prior to the course, a 50% fee is charged. If cancellation occurs less than two weeks prior to the workshop, the full workshop registration fee is charged. Please note that cancellations must be submitted in writing.
